Civil Danger Warning

Scientists say that catastrophic events are coming to Earth!
These include the eruption of Supervolcano Yellowstone, an alien invasion, a nuclear bomb, and much more hellish conditions!
Scientists say to remain calm as these are not 100% confirmed…
Stay Safe and have peaceful night

Issued by the United Nations

Doritos

what a skillful fighter

well, we meet again.
i guess so, but this should be a breeze..

yuh, lets dance cuh
lets go, shall we?

The reason Kairo has airpods in all the time is because of his technique.
His ability allows him to control sound.
Meaning the more music he listens to, the more he can manipulate.
His technique only works when he has his headphones in

heh.
RAHHH!!!!!

His Technique revolves around what kind of music he's listening to. For example, if Kairo is listening to classical music, his movements will be very smooth and calm.

This is a Emergency Alert System specialized for you only.

You are in the home on an enemy of the U.S.A. and NATO
If their name is “bomb” then go into hiding immediately and stay as quiet as possible.
We have agents coming to your aid shortly.
He was a previous leader of the Soviet Cat-Union and is armed with about 5,472 nuclear warheads.
Stay Safe help is coming…

wait there's nowhere to hide! maybe if i go next to the stairs then run up when he comes down i can escape!

Bandana? Bandana!? i got the snacks!
